The floorplans and elevations shown are pre-construction plans and may be revised or improved as necessitated by architectural controls, the construction process, and at Vendor's sole discretion. The measurements adhere to the rules and regulations of the TARION Warranty Corporation's official method for the calculation of floor area. All dimensions are approximate and generally comprise the greater length by the greater width of the area. Note that actual usable floor area may vary from that stated, which includes open areas and finished below grade areas where applicable. Homes may be sited in reverse and Purchaser agrees to same. Railings on front porch only where required by O.B.C. Steps, porch, deck and railings may vary at any exterior entrance including garage entrance. Boxing is not shown. Locations of furnace, HRV, hot water tank, posts and beams may vary and are to be determined by Vendor and Architect. Purchasers shall be deemed to accept the same. All images and renderings are artist concept only and subject to change. Ask sales representative for more details.
